#### Keep in the Sunshine.

There are only two kinds of people in the world—the people who live in the shadow and gloom and those who live on the sunny side of the street. These shadowed ones are sometimes called pessimists, sometimes people of melancholy temperament; sometimes they are called disagreeable people. But, wherever they go, their characteristic is this—their shadows always travel on before them. These people never bear their own burden, but expose all their weakness to others. They are all so busy looking down for pitfalls and sharp stones and thorns on which to step that they do not even know that there are any stars in the sky. These folks live on the wrong side of the street. And yet it is only twenty feet across to the other sidewalk, where sunshine always lies.—Newell Dwight Harris.

#### The Burglar's Prayer.

Mr. Herbert Risley, speaking of the state of eastern Bengal at a meeting of the Royal Anthropological Institute, said a curious system of religious worship prevailed among a caste who were professional burglars. They made a space in the ground, and a man then sat in the center and prayed to one of the gods that there might be a dark night and that he might succeed in obtaining great booty and escape capture.—London Standard.

#### HAPPIEST GIRL IN LINCOLN.

A Lincoln, Neb., girl writes, "I had been suffering some time with chronic constipation and stomach trouble. I began taking Chamberlain's Stomach and Liver Tablets and in three days I was able to be up and get better right along. I am the proudest girl in Lincoln to find such a good medicine for sale by All Dealers.

#### First Use of Iron.

As a result of his interesting investigations, Dr. Ridgeway concludes that the smelting of iron originated in central Europe, and especially in the region known as Noricum, equivalent to modern Austria and Bavaria.

In Egypt it can be traced back to the ninth century B. C., and in Libya to about 450 B. C. First mention of its use in China goes back to 400 B. C., while in Uganda it is said to have been in use only some five or six centuries.

The above date for the first use of iron in Egypt refers to the metal obtained by smelting. The use of native iron in the form of meteorites dates back to remote antiquity. The weapons made from these were obtained, like flint implements, by chipping. And it is interesting to remember that recent investigations have shown that the iron of many meteorites is a sort of natural steel.

#### Why Waste His Breath?

Teacher—Now, Tommy, suppose you had two apples and you gave another boy his choice of them. You would tell him to take the bigger one, wouldn't you? Tommy—No, mum. Teacher—Why? Tommy—Cos 'twouldn't be necessary.—Robbison Life.

#### PARSON'S POEM A GEM.

From Rev. H. Stubenvoll, Allison, Ia., in praise of Dr. King's New Life Pills. "They're such a health necessity, in every home these pills should be. If other kinds you've tried in vain, USE DR. KING'S And be well again. Only 25c at McGeachy's."

#### Making a Cake With the Bible.

The following unique recipe for Scripture cake is copied from an old English cookbook. For the ingredients and directions for making the cake you must refer to the Bible, in the chapters and verses given here-with. It may be added that by carefully following the directions you will be able to make a most delicious cake—the very best thing for a Sunday afternoon tea:

Four and a half cups of I Kings iv, 22; half pound Judges v, 25; two cups Jeremiah vi, 20; two cups Nahum iii, 12; two cups I Samuel xxx, 12; two cups Numbers xvii, 8; two teaspoonfuls I Samuel xiv, 25; to taste, II Chronicles ix, 9; six Jeremiah xvii, 11; one and a half cups Judges iv, 19; two teaspoonfuls Amos iv, 5; one pinch Leviticus ii, 13; directions, Proverbs xxiii, 14; bake one and a half to two hours. Baking powder may be used instead of yeast or leaven, as it is termed in the Bible.

Right in your busiest season when you have the least time to spare you are most likely to take diarrhoea and lose several days time, unless you have Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by All Dealers.

#### Four Hundred Years Before Peary.

The north pole is the place of greatest dignity in the world, and the people who dwell near it "have a wonderful excellency and an exceeding prerogative above all nations of the earth." How blessed we may think this nation to be, for they are in perpetual light and never know what darkness meaneth, by the benefit of twilight and full moons, as the learned in astronomy do very well know, which people, if they have the notice of their eternity by the comfortable light of the gospel, then are they blessed and all of nations most blessed. Why then do we neglect the search of this excellent discovery, against which there can be nothing said to hinder the same?—From Hakluyt's Voyage (Sixteenth Century).

#### KILL MORE THAN WILD BEASTS

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, food. But protection is afforded by Electric Bitters which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back if not satisfied. Only be at S. E. McGeachy's.
